- B Charging cable

Cleaning instructions

- Wipe the surface with a soft, damp sponge or cloth, and wipe immediately with a dry cloth.
- Do not use any abrasive cleaning tools such as steel wool, scouring sponges or stiff brushes.
- Never use strong cleaning agents such as white spirit, turpentine, household glass cleaner or cellulose thinner.

Please follow step 1 – 4

Step 1

The lamp is delivered fully assembled.

Step 2

Before use, the battery in the lamp must be fully charged.

Attach the magnetic charging cable to the charging port located on the bottom of the lamp. Connect the USB cable to a power supply.

&Tradition replacement battery can be purchased upon request.

Step 3

When charging, a red LED light will appear next to the charging port. When the lamp is fully charged the red light will turn green.

Step 4

The light intensity of the lamp can be adjusted by touching the dimmer knob on the top of the lamp. The lamp has 3 light intensity levels: 100%, 50% and 20%.

&Tradition replacement LED unit can be purchased upon request.
