Model No. 1224

## DESIGN DR. PETER DRAENERT

An extensible dining table, boat-shaped, rectangular, organic or oval, made of natural stone or wood with lifting mechanism for an integrated center-leaf made of natural stone or wood. The integrated lifting mechanism allows the interior central leaf to be raised once the two halves of the table top have been pulled apart. An ingenious technique makes the extension a procedure of miraculous ease. This model is offered with 4 different bases.

## AVAILABLE IN THE FOLLOWING MATERIAL VARIANTS:
